In North Korea, choosing to follow Jesus is a brave and challenging decision. When Kim Sang-Hwa\* found her parents' secret Bible, she knew the whole family were in great danger. If the North Korean authorities found out, they'd be sent to a terrible labour camp. And they would never leave.

Courageously, she asked her father about Jesus – and made the decision to follow Jesus. More and more Christians in North Korea and other World Watch List top 10 countries are making the same dangerous choice. With your support, Open Doors is able to distribute Bibles and vital aid through secret networks, and reach hundreds of thousands of North Korean Christians.

"Thanks to your support, the secret believers experience that God loves them and provides in everything they need," says Sang-Hwa.

## Help us Choose a Name!

As you probably know, locally we have now become a group of four churches:

Hallow, Lower Broadheath and Grimley with Holt – which is quite a mouthfull!

Recently we decided it would be good to have a name for our new group:

1. To reflect our identity as a group working together.
2. To enable us to come together intentionally.
3. To make communicating with people outside the church easier- through a joint front page for a website, invitations to particular events and so on.

Can you help us choose a name?

There will be suggestion boxes in all our churches and Post Offices until Easter- and we will consider all the suggestions carefully. Or email your suggestion to [rev.kalantha@gmail.com](mailto:rev.kalantha@gmail.com)

There will be a prize hamper for the winning entry!

## SAFEGUARDING

If you have a concern about a child or vulnerable adult, please contact Rev Kalantha or Cynthia Hammond whose details can be found on our website.

Dear all,

It has come to my attention that somebody over 70 has been asked to distribute to the magazine. Unsurprisingly I have had a complaint about this.

***In the light of that, since it appears that the structure for safe distribution we had tried to put in place is not working, I have taken the decision that all magazine distribution must now be suspended immediately. Please inform all those people within the distribution chain without delay.***

As you know, I had very much hoped and expected that we would be able to distribute safely, and I have not taken this decision lightly.

I do not underestimate the huge amount of work taken both by Anne in producing the magazine and by Pat, Cynthia and many others in distributing it. I know this will be a cause of sadness to many of our contributors, distributors and recipients. However I do not feel there is any alternative at present.

Thank you all so much for your hard work and your dedication to keeping people connected at this difficult time. Please be assured of my continued prayers for you and yours.

Blessings  
Kalantha
